

We Want Your Pictures of Yosemite (Area)

Let's have some fun! Please share your photos with YARTS.

YARTS would like to have some of your pictures, taken on a trip to Yosemite, to use on our YARTS.com web site. We would not necessarily be looking for the most "professional" pictures, although those would be great.

What we are after is photos of you and your traveling party doing fun things in and around the park. (If your photos contain others who you do not know, we probably cannot use them as pictured individuals must agree to their use in public.)

If you get some fun photos on your trip, please share them with us by sending them to yarts@yosemite.com. We will want to give you photo credits on the site so will need your first name, city, and country of residence.

Our remodeled YARTS website will include the photos we get and we will be changing them out from time to time to keep the site fresh, fun and interesting. It is likely that some of the photos will be shown on the www.yosemite.com site as well, if you agree.
